

The ALL RISE 2026 Summer BOOK CLUB

June 3rd – September 9th

Step up to the plate, rookie!

This summer, you're the MVP of your own league. Whether you scout a title from our official **ALL RISE 2026 Summer Book Club** list or discover a "hidden gem" of your own, every page gets you closer to the fences. Simply write the title of your book on the line next to each base as you "run" through your reading list.

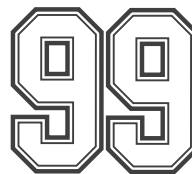

Once you've rounded all the bases and filled in every spot, you've officially hit a **Summer Reading Home Run!** So grab your favorite book, find a shady spot under the bleachers, and let's see how many grand slams you can rack up before school starts.

Don't let your stats go unnoticed! Show us your progress by tagging us and using our official hashtags so we can cheer you on from the dugout.
