1. What does being a good citizen online look like?
2. Would you rather speak up when someone is being treated unfairly online or privately reach out to the person to offer support? Why?
3. What's one thing you wish adults understood better about young people's online experiences?
4. What's one question you should ask yourself before posting or sharing something online?

Leadership in the Digital World

November 6, 2026

5. If you could create one rule that everyone had to follow online, what would it be and why?

6. You're playing an online game or participating in a group chat when your friend starts making fun of another person. What would you do?

7. If you could use technology to make one positive change at your school or in your community, what would you do?

8. What's one small change you can make today to become a better digital citizen?
